DISPLAY ADVERTISING offers an extremely cost-effective way to market to the mining community — your ad in the *Journal* is seen in both print AND online. Our rates are the BEST in the industry and in most cases ad design fees are complimentary! Increase visibility by adding color. We also offer full and spot colors.

All **DISPLAY ADVERTISERS** receive a complimentary listing in our Advertisers Index at the front of each issue and on our website (www.icmj.com). Larger ads also come with a **FREE** web banner!

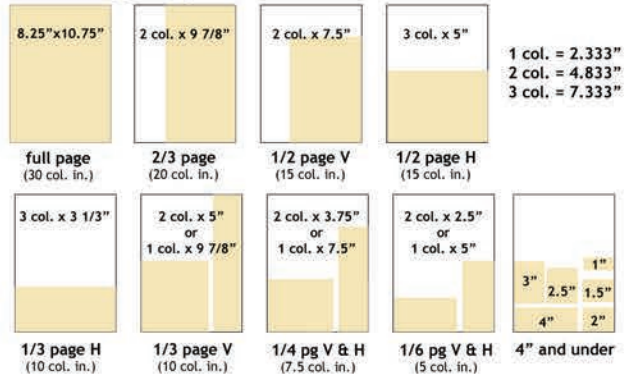

With such a strong Internet presence as ours, advertisers might also consider purchasing one of our Premium web banners for an additional \$108/month. Need help with web banner design? We can help with that too!

Deadlines are always on the 10th of the month prior to publication, unless the 10th falls on a weekend. Please call for ad specs or visit www.icmj.com

ICMJ's affordable advertising rates, targeted audience, and quick deadline-to-press turnaround offer you more value for your dollar. We've been bringing mining products and services to our readers for 90+ YEARS! With a combined print and online readership of more than 60,000—across the US, Canada and 20+ other countries—plus a web readership of almost the same amount—the “ICMJ” or “Mining Journal” is an Industry standard.

Our subscribers represent a cross-section of the prospecting and mining industry: from large-scale mining companies to independent mine owners to small-scale prospectors; equipment manufacturers & dealers; professional consultants; financial advisors; governmental & educational institutions; and libraries.

With the reliable reputation we've been building over the years, you might expect our advertising rates to be astronomical. As you can see, they are not. We're committed to providing you with the **BEST** advertising for your dollar. We have ads to fit ANY budget.
